

## Terms & Conditions

### NOTE.

Please read the following terms and conditions carefully. By accessing this website on any page, content thereof and/or any application developed, you will accept the terms and conditions below. If you do not agree to the terms and conditions below, do not browse any page of this site or use any application developed by us.

COPYRIGHT © Ei-TAG ALL RIGHTS RESERVED. The information and material in this application are property of Network Electronics 2000 C.R.I. Unip. Lda. and are protected by Copyright.

The privacy and protection of your personal information is of utmost importance to us. All personal information collected during your visit to our website our and/or any developed application by us is processed in accordance with the General Data Protection Regulation (Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016).

### USE OF INFORMATION AND MATERIALS.

The information and materials contained in this application and website, the terms, conditions, and descriptions contained therein, are subject to change. Unauthorized use of the website application and systems of Network Electronics 2000 C.R.I. Unip. Lda., including unauthorized access to the Network Electronics 2000 C.R.I. Unip. Lda., the misuse of passwords, or the misuse of any information made available on this website and in the pages and windows making the pages available is strictly prohibited.

### E-MAILS.

Emails may contain confidential, privileged or protected information regarding their transmission. If you are not the intended recipient of an email, do not duplicate or redistribute it by any means. Please delete it as well as any of its attachments and notify the sender that you received it by mistake. E-mail messages may contain viruses or other defects, may not be faithfully replicated in other systems, or may be intercepted, deleted, or altered without the knowledge of who sent them or the intended recipient.

### LINKS.

This application may contain links to websites controlled or offered by third parties (other than subsidiaries of Network Electronics 2000 C.R.I. Unip. Lda.). Network Electronics 2000 C.R.I. Unip. Lda. refuses any responsibility for any information, materials, products or services made available or offered on any of the websites of third parties connected to this application. By creating a link to third-party websites, Network Electronics 2000 C.R.I. Unip. Lda. does not indicate or recommend any products or services offered or information contained on those websites, nor is it Network Electronics 2000 C.R.I. Unip. Lda. responsible for any failure in the products and services offered or announced on these websites. The third party may have a privacy policy other than Network Electronics 2000 C.R.I. Unip. Lda. and the third party's website may be less secure than Network Electronics 2000 C.R.I. Unip. Lda.

### NO WARRANTY.

The information and materials contained in this application, including text, graphics, links or other elements are made available on an "as is" and "as available" basis. Network Electronics 2000 C.R.I. Unip. Lda. does not guarantee the accuracy, adequacy or completeness of this information and these materials and is not responsible for any errors or omissions that the information and materials made available may contain. No warranty of any kind, implied or express, including non-infringement of third party rights, property or title, fitness for sale or any other purpose and non-existence of computer viruses will be assumed by Network Electronics 2000 C.R.I. Unip. Lda. In relation to the information and materials made available.

### LIMITATION OF LIABILITY.

Network Electronics 2000 C.R.I. Unip. Lda. Will not be liable for any damages, including direct or indirect, special, incidental or consequential losses or expenses resulting from links to this application or any other internet site connected with it or use of it or unfitness of use by any or resulting from any failure of performance, error, omission, interruption, defect, delay in operation or transmission, computer virus or network or system failure.

### SUBMISSIONS.

All information submitted to Network Electronics 2000 C.R.I. Unip. Lda. through this application shall be deemed and remain property of Network Electronics 2000 C.R.I. Unip. Lda. Network Electronics 2000 C.R.I. Unip. Lda. Will have full freedom to use it for any purpose, idea or concepts in accordance with yours "Privacy Policy".

### ADDITIONAL TERMS.

Some sections of this application may contain specific terms and conditions that will apply in addition to these terms and conditions. In case of conflict, the specific terms and conditions of the sections or pages will have prevalence.

### CONTACT
